

Workshops

**07:30 -08:30** Registration

**08:30 -09:00** Opening and welcome notes

**09:00 -09:40**  Could improved water management optimize the greenhouse gas balance of peatlands? *Speaker: Bärbel Tiemeyer (Thünen-Institute)*

Coffee - Break

**10:00 -12:00**

<b>1.1</b> Soil Properties and Biogeochemical Processes in Peatlands <i>Chair: Haijie Liu (University of Rostock) Dominik Zak (Aarhus University)</i>	<b>2</b> Renaturierungspraxis in verschiedenen Moortypen <i>Chair: Cornelia Studa (PSC-HSWT)</i>	<b>3</b> Peatlands under stress and their ecological resilience <i>Chair: Juan Carlos Benavides (IHS) Matthias Drösler (PSC-HSWT)</i>
---	--	---

Lunch

**13:20 -14:00**  Habitat features and biodiversity of peat bogs in Belarus *Speaker: Gennadi Sushko (Vitebsk State University)*

**14:15 -16:00**

<b>1.2</b> Soil Properties and Biogeochemical Processes in Peatlands <i>Chair: Haijie Liu (University of Rostock) Dominik Zak (Aarhus University)</i>	<b>4</b> Stoffliche und energetische Nutzung von Paludikultur-Biomasse <i>Chair: Raphael Burkhardtsmayer (Donaumoos-Zweckverband)</i>	<b>5</b> Rewetted peatlands – Biodiversity hotspot or novel ecosystems <i>Chair: Theresa Lehmayr (Bayerisches Landesamt für Umwelt)</i>
---	---	---

Coffee - Break

**16:30 -17:00** Quick Talk - Exhibitors

**17:00 -18:00** Paludi - Fair

**19:00 -** Conference dinner

**08:00 -08:30** Registration

**08:30 -09:10** MONAS collective for environmental art with the 'Moorreaktor'

**09:15 -10:15**

<b>6.1</b> Exchange of greenhouse gases from organic soils <i>Chair: Tim Eickenscheidt (PSC-HSWT)</i>	<b>7.1</b> Perspektiven für Wälder auf Moorböden <i>Chair: Stefan Müller-Kroehling (Bayerische Landesanstalt für Wald und Forstwirtschaft)</i>	<b>8</b> Social and economic challenges and impacts of peatland transformation <i>Chair: Harald Grethe, (Agora Agrar &amp; Humboldt University Berlin)</i>
---	--	--

Coffee - Break

**10:45 -12:00**

<b>6.2</b> Exchange of greenhouse gases from organic soils <i>Chair: Tim Eickenscheidt (PSC-HSWT)</i>	<b>7.2</b> Perspektiven für Wälder auf Moorböden <i>Chair: Stefan Müller-Kroehling (Bayerische Landesanstalt für Wald und Forstwirtschaft)</i>	<b>9</b> Hydrological models for peatlands: processes, scales and applications <i>Chair: Kristian Förster (HSWT)</i>	<b>10.1</b> Wet management and strategies in agriculture <i>Chair: Matthias Drösler (PSC-HSWT)</i>
---	--	--	--

Lunch

**13:20 -14:00**  People make Peatlands – practical projects and political processes towards peatland rewetting *Speaker: Gerald Jurasinski (GMC)*

**14:00 -15:00** Poster Session

Coffee - Break

**15:30 -17:15**

<b>11</b> Classification and mapping of organic soils including remote sensing <i>Chair: Ulli Dettmann (Thünen Institute of climate smart agriculture)</i>	<b>12.1</b> Peatland conservation, restoration and management policies and programmes <i>Chair: Matthew Moran (Food and Agriculture Organization of the United Nations)</i>	<b>10.2</b> Wet management and strategies in agriculture <i>Chair: Matthias Drösler (PSC-HSWT)</i>
	<b>12.2</b> Rechtliche Herausforderungen und Anpassungsbedarf <i>Chair: Jose Martinsz (Georg-August University Göttingen) Anna Kemmer (PFGG)</i>	

**17:30 -18:00** Closing Session

**08:00 -18:00** Field trips

Excursion 1: Karolinenfeld experimental station (BaySG) and Koller- and Hochrunstfilze

Excursion 2: Schechenfilz and Benediktbeuern

Excursion 3: Swabian Donaumoos and Dattenhauser Ried

Excursion 4: Bavarian Donaumoos

Excursion 5: Bavarian Forest

Excursion 6: Freisinger Moos and Erdinger Moos

\*Subject to alterations  
\* Änderungen vorbehalten

**15:30 -18:30**

<b>Workshop 1:</b> Pragmatischer Umgang mit Umsetzungsmaßnahmen im Hinblick auf Vernässungen	<b>Workshop 2:</b> Information und Kommunikation zum Moorbodenschutz	<b>Workshop 3:</b> Rechtliche Hürden und Möglichkeiten für die Moorvernässung
---	---	--

**18:30 -20:00** Early bird Registration

**19:00 -** Get together
